SUMMER HEALTH HAZARDS

***We want your Block Party to be enjoyable.
Here are some things to keep in mind.***

BEE, WASP AND HORNET STINGS:

- Be aware of the warning signs of an allergic reaction (dizziness, headache, and abdominal pain, extreme nausea, breathing difficulties, swelling and hives). If reaction occurs call 911.

MOSQUITOES:

- To prevent mosquito irritations eliminate potential breeding sites from the area, such as stolid water.
- Also apply plenty of repellent.

FOOD POISONING:

- Take special precautions in warm weather when preparing and serving food to prevent food-borne illnesses.
- Make sure food is cooked thoroughly, and to keep food refrigerated or in a cooler.

HEAT EXHAUSTION:

- Be aware of the symptoms of heat exhaustion (dizziness, nausea, light-headedness, severe headache, cool/clammy skin, heavy perspiration, shallow breathing, muscle tremors or cramps). If any of these symptoms occur, lie person down in a cool place with feet slightly raised; loosen any tight clothing, if symptoms are not relieved in a few minutes call 911 immediately.
- To prevent heat exhaustion, drink extra amounts of liquids, be aware of your body's temperature and activity, and stay in cool shady places.

HEAT STROKE:

- Heat stoke is fatal and considered a medical emergency, call 911. Symptoms may be headache, red or dry face, skin hot to touch, body temperature 105° or more, strong pulse, loss of consciousness, or seizures.

FOR MEDICAL EMERGENCIES CONTACT 911
